Notes:

1. For evaluation purposes, the proposed pricing for the physical classroom “Instructor Fee” and “Course Materials + Practice Test + Learner’s Permit Test + Driver’s License Exam Fee” was used for calculating the Estimated Annual Total. (For example: \$5,000 Instructor Fee + \$395 Course Material Fee x 120 students = \$647,400 Estimated Annual Total)
2. The proposal submitted by Excel Driver Services included pricing for services not requested. The proposed pricing for Drive Prodigy Standard Class A Program was evaluated.
3. The amounts shown are the Alamo College District’s best estimates for a one-year period. Each item will be purchased on an as needed basis. The actual amount paid is based on the amount of services purchased.
4. The amounts shown are paid by the Alamo Colleges District and not the student.
